From the Wilsley Pound roundabout, follow the signs into Cranbrook, the road keeps straight on and you go past Cranbrook School, over a series of speed bumps and then turn sharp left onto The Hill (St Davids Bridge) Go past Tiffins and The Windmill until you come to Dorothy Avenue. The Old Brewery is in the Old Tudor Oak Building, immediately on your left as you turn in to Dorothy Avenue and we are situated on the ground floor in the corner. If I am not in the office, I may be at Orchard Lodge, which is situated at the end of Dorothy Avenue on the first turning circle.
